SPORTS

Football Season 1921

As we turn our thoughts back to the football season at Mechanics Institute, we cannot help but feel gratified by the way the school was represented on the gridiron, the game players, the teams which were met, and the fact that we are recognized to be on a par with the smaller colleges.

M. I. opened the season with thirty candidates in the field. This squad, under the supervision of Coach Jack Forsyth, Captain "Art" Blanchett and Manager "Pop" Wilson, entered into the season with a determination that it would be a successful one. The schools that met have been as follows:

	Opponents	M. I.
Alfred at Alfred.....	14	0
U. of R. Freshmen at Rochester.....	7	0
Clarkson Tech. at Potsdam.....	40	0
R. S. O. at Rochester.....	6	0
Oswego State Normal at Rochester.....	0	13

Several members of the Varsity will return to M. I. next Fall, and with the new material all tends towards a successful season.

Connelly, the star guard, has been elected to pilot next year's aggregation through, with Joe Mahoney at the helm as manager. Line-up:

Quarterback	O'Reilly
Fullback	Slavin
Right Halfback	Blanchett
Left Halfback	Holden
Center	Ayers
Right End	Mauthe
Left End	Corkery
Right Guard	Connelly
Left Guard	Marsden
Right Tackle	Mahoney
Left Tackle	MacNitt
Substitutes	Bardo, King, Cushner

WE DOUBT THAT STATE- MENT

I took my girl
 For a stroll in the
 Park. She
 Said
 Her hands were
 Cold, so I held them
 For her. Pretty soon
 She said she was
 Cold all over. I
 Gave her my overcoat.
 Now she won't
 Speak to me.

First: “Did you notice that girl’s head the chap in front of us was drawing in Chem Class?”

Second: “No; I’m afraid I was asleep most of the time.”

First: “Huh! Lot of good you get out of that class.”

Texas Paper—“The groom in his conventional black suit was looking quite handsome, and the bride, attired in her pure white lingerie, was indeed a lovely and attractive picture.”
