

Homecoming

October

Fr	2	9	16	23	30
----	---	---	----	----	----

A "Coming Home" encompasses more than just tearful reminiscences of the good old days. It is an opportunity for those who return to learn about the conditions that members of the family at home, still face. It's a chance for visitor and resident alike to meet and get to know each other. It's a time for the visitor to learn of new faces, new programs, new facilities, and new problems that exist in the place he once knew well. It's a time for the visitor to relax and to greet others who were once his companions. With these intents, a group of alumni, administrators and students contrived Homecoming 1970. This weekend's activities opened Friday noon with a Golden Anniversary Luncheon for the Class of 1920. The remainder of that day's program included two award presentations. The Sarah Margaret Gillam Award was presented to Miss Effie May Winger, '18, for her contribution to the field of Food Administration. A second

presentation inducted Edward A. Pike, '32, and Harold E. Baucum, '59, into the Sports Hall of Fame. Saturday was the day for athletics. Students and alumni saw RIT's Soccer Club tie LeMoyne, and in a dual cross-country meet, RIT defeated both LeMoyne and the University of Buffalo. The Football Club fell to Niagara's Purple Eagles in a game that drew perhaps two thousand fans. In ceremonies during half-time Miss Barbara Kowalczyk was crowned Homecoming Queen. One of the lighter aspects of the day was Inter-Fraternity's Chariot Race, in which Phi Sigma Kappa won the Alumni Trophy.

The Annual Alumni Lecture, "A Look at Contemporary Society," took place Saturday afternoon. The purpose of the panel discussion was to provide a means for alumni to become intellectually involved in the problems of the RIT Community. The social highlight of the weekend was the Homecoming Banquet and Dance held Saturday evening. Close to four hundred persons attended including representatives from all portions of the RIT Community. In ceremonies following the dinner, Harold J. Brodie, '17, and Charles F. Cala, '30 were cited as "Outstanding Alumni", the highest honor that can be conferred by the Alumni Association upon its members.
